Help Yourself

Tom Jones

Love is like candy on a shelf
You want to taste, then help yourself
The sweetest things are there for you
Help yourself, take a few
That's what I want you to doWe're always told repeatedly
The very best in life is free
And if you want to prove it's true
Baby, I'm telling you
This is what you should doJust help yourself to my lips

To my arms just say the word, and they are yours

Just help yourself to the love

In my heart your smile has opened up the doorThe greatest wealth that exists in the world

Could never buy what I can give

Just help yourself to my lips

To my arms and then let's really start to live

Alright, yeahMy heart has love enough for two

More than enough for me and you

I'm rich with love, a millionaire

I've so much, it's unfair

Why don't you take a shareJust help yourself to my lips

To my arms just say the word, and they are yours

Just help yourself to the love

In my heart your smile has opened up the doorThe greatest wealth that exists in the world

Could never buy what I can give

So help yourself to my lips, to my arms

And then let's really start to liveJust help yourself to my lips

To my arms just say the word, and they are yours

Just help yourself to the love

In my heart
