

# Who Makes You Feel

Dido

I don't touch you the way I used to  
And I don't call and write when I'm away  
We don't make love as often as we did do  
What couldn't wait now waits and usually goes away  
But listen and think when I say, oh but listen and think when I say Who makes you feel the way I make you feel  
Who loves you and knows you the way I do  
Who touches you and holds you quite like I do  
Who makes you feel like I make you feel I don't mind if you come home late  
And I don't ever ask you where you have you've been  
I just assume if there's a problem, you'd tell me  
But listen and think when I say, oh but listen and think when I say Who makes you feel the way I make you feel  
Who loves you and knows you the way I do  
Who touches you and holds you quite like I do  
Who makes you feel like I make you feel Being weak, when I am strong  
Being seen, for who you are  
Being sad and lost but not alone  
But listen and think when I say, oh but listen and think when I say Who makes you feel the way I make you feel  
Who loves you and knows you the way I do  
Who touches you and holds you quite like I do  
Who makes you feel like I make you feel
