

# Findin' A Good Man

**Danielle Peck**

We got a bucket of Corona,  
Enough stories to last all night,  
About the trials and tribulations,  
Of findin' Mr. Right:  
Of findin' a good man. Here's to the liars and the cheaters and the cold mistreaters;  
To the Momma's boys who can't make a stand.  
Here's to the superficial players;  
The "I love ya" too-soon-sayers;  
If you hear me girls, raise your hand:  
Let's have a toast:  
Here's to findin' a good man. Blind dates an' horror stories;  
Pushy gals and fast movers.  
Let's dedicate this girl's night out,  
To big-talkers; bad losers,  
It's so hard findin' a good man. Here's to the liars and the cheaters and the cold mistreaters;  
To the Momma's boys who can't make a stand.  
Here's to the superficial players;  
The "I love ya" too-soon-sayers;  
If you hear me girls, raise your hand:  
Let's have a toast:  
Here's to findin' a good man. Julie, I know you want perfection;  
Angie, you want a listener.  
Lisa, your list is gettin' long,  
And girls, you know me: I just want a good kisser. Here's to the liars and the cheaters and the cold mistreaters;  
To the Momma's boys who can't make a stand.  
Here's to the superficial players;  
The "I love ya" too-soon-sayers;  
If you hear me girls, raise your hand:  
Let's have a toast;  
Let's have a toast:  
Here's to findin' a good man. Here's to findin' a good man.  
Here's to findin' a good man.
