

Berlin (Tony Hoffer Mix)

Black Rebel Motorcycle Club

Have a little love, as were fighting with each other
Ain't no use in crying like the others
Were fools in need, fools to believe,
There are fools in need, to foolish to believe I'm gonna, uh somebody, uh somebody
Uh somebody, uh somebody here but don't you please, I've got time and time to bleed
It ain't no use in trying to deceive
I've been fooled by the lover, fooled by the sinner, fooled myself into thinking I was living I'm fighting just to
breathe as I get back off my knees
Help me somebody
Help me somebody
I'm fighting just to breathe as I get back off my knees
I'm gonna, uh somebody, uh somebody, uh somebody, uh somebody She said
Suicides easy, what happened to the revolution
Suicides easy, what happened to the revolution
Suicides easy, what happened to the revolution
Suicides easy, what happened to the revolution heavy little lovers, as were fighting with each other
Ain't no use in suffering like the others
Were fools in need, fools to believe,
There are fools in need, to foolish to believe I'm fighting just to breathe as I get back off my knees
Help me somebody
Help me somebody
I'm fighting just to breathe as I get back off my knees I'm gonna, um somebody, um somebody, um somebody,
um somebody, um somebodies gonna, somebody, hurt Somebody,
Um somebodies gonna, somebody She said
Suicides easy, what happened to the revolution
Suicides easy, what happened to the revolution
Suicides easy, what happened to the revolution
Suicides easy, what happened to the revolution
