

Opposite Octave Reaction

Scott Weiland

Daddys got the picture
Daddys got the key
Daddys got the mag
'Naked lady by the tree' The school girls call me pervert
A weirdo and a freak
But I like daddys girl
She never teases me Opposite Octave Reaction
Opposite Octave Reaction Waiting on the lady
Waiting at the tree
Waiting for my wife
Who sexually kills me But daddys got the mag
Still underneath the bed
And sometimes I still get her
Only in my head Opposite Octave Reaction
Opposite Octave Reaction She always gets me to go again
To go again
She always gets me Daddys got the picture
Daddys got the key
Daddys got the mag
'Naked lady by the tree' The school girls call me pervert
A weirdo and a freak
But I like daddys girl
She never teases me Waiting on the lady
Waiting at the tree
Waiting for my wife
Who sexually kills me But daddys got the mag
Still underneath the bed
And I get her sometimes
But only in my head Opposite Octave Reaction
Opposite Octave Reaction
Opposite Octave Reaction
Opposite Octave Reaction Reaction, reaction
Reaction, reaction Action
Action
Action
