Brand New Hate

Backyard Babies

Makin' enemies is good
Makin' enemies is good
Makin' enemies is goodMore to lose than necessary
And far too much to gain
I'm going down, down, down, down
Hide the painOf all the sharks in all the waters
I cut but I don't bleed
And you can feed me babe, feed me babe
It's all I needAnd makin' enemies is good
I got a brand new hate for you
Makin' enemies is goodMind over matter
Mind over matterTry to make a monkey of me
And I'll swing back and say
You make it easy man, easy man
It's a holidayI don't need your fake-assed friendship
Or your silicon sympathy
You've got a brand new fuck you
EnemyAnd makin' enemies is good
I got a brand new hate for you
Makin' enemies is goodMind over matter
Mind over matter
Mind over matter
Mind over matterI don't hear you, I don't need to
I don't hear you, I don't need toAnd makin' enemies is good
I got a brand new hate for you
Makin' enemies is good
I got a brand new hate for youMakin' enemies is good
I got a brand new hate for you
Makin' enemies is good
I got a brand new hate for youMakin' enemies is good
I got a brand new hate for you
Makin' enemies is good
I got a brand new hate for youMakin' enemies is good
I got a brand new hate for you
Makin' enemies is good
I got a brand new hate for you
