# Freaky

## Christian Fischer

Now don't you even act like
You don't wanna get up
You better get out on the dance floor
Show me what you got
'Cause I don't even want too much
Just for y'all to understand
A party ain't a party if I'm not in the party
So I need to see some hands
All I really need to know
Is that you came to the party to enjoy yourself
You left your stress and your worries
Back at home on the shelf and let's get freaky
Hey, oh freaky
Hey, oh, hey, freaky
Hey, oh, hey, freaky
Hey, oh, hey, freaky, freaky
Make sure the DJ
Puts this song on and turn it up
And keep it moving all night long
Till the sun come up

All I really need to know is that
You came to the party to enjoy yourself
You left your stress and your worries
Back at home on the shelf and let's get freaky
Hey, oh, freaky
Hey, oh, hey, freaky
Hey, oh, hey, freaky
Hey, oh, hey, freaky, freaky
All I really need to know is that
You came to the party to enjoy yourself
You left your stress and your worries
Back at home on the shelf and let's get freaky
Hey, oh, freaky
Hey, oh, hey, freaky
Hey, oh, hey, freaky
Hey, oh, hey, freaky, freaky
And let's get freaky
Hey, oh, hey, freaky

Hey, oh, hey, freaky
Hey, oh, hey, freaky, freaky
