

# Freaky

## Christian Fischer

Now don't you even act like  
You don't wanna get up  
You better get out on the dance floor  
Show me what you got  
'Cause I don't even want too much  
Just for y'all to understand  
A party ain't a party if I'm not in the party  
So I need to see some hands  
All I really need to know  
Is that you came to the party to enjoy yourself  
You left your stress and your worries  
Back at home on the shelf and let's get freaky  
Hey, oh freaky  
Hey, oh, hey, freaky  
Hey, oh, hey, freaky  
Hey, oh, hey, freaky, freaky  
Make sure the DJ  
Puts this song on and turn it up  
And keep it moving all night long  
Till the sun come up

All I really need to know is that  
You came to the party to enjoy yourself  
You left your stress and your worries  
Back at home on the shelf and let's get freaky  
Hey, oh, freaky  
Hey, oh, hey, freaky  
Hey, oh, hey, freaky  
Hey, oh, hey, freaky, freaky  
All I really need to know is that  
You came to the party to enjoy yourself  
You left your stress and your worries  
Back at home on the shelf and let's get freaky  
Hey, oh, freaky  
Hey, oh, hey, freaky  
Hey, oh, hey, freaky  
Hey, oh, hey, freaky, freaky  
And let's get freaky  
Hey, oh, hey, freaky

Hey, oh, hey, freaky  
Hey, oh, hey, freaky, freaky
