# Buddy

## Musiq

Pardon, darling, if I alarmed ya
I don't mean to bother you; I just wanna
Get you to pause and slow ya walk so
Maybe we can talk and I can try to charm ya
Just tryin' to find out who you are
I don't mean to come off like a telemarketer
I ain't no hood, no crook, no robber
I just want a part of your heart I can borrow[Bridge]
(Sometimes) and maybe I could call you up (sometimes)
And maybe I can take you out (sometimes)
So let's exchange digits and later arrange visits
Either your place or mine (yeah)
This a different type of commitment (yeah)
I'm talking 'bout a true friendship (yeah)
Someone I can depend on
To be down no matter what
Let me know if you wit' it 'cause, girl[Chorus]
It would be fly if you were my B-U-D-D-Y
Don't be shy, give it a try
I could be yours, and you could be mine
I can't lie; it would be fly if you were my B-U-D-D-Y
Don't be shy, give it a try
I could be yours if you could be mineSorry if I come off disrespectful
But my convo is a little bit to sexual
But, damn, it's incredible
Be more flexible
Cause the context of this text is a lil' special
But, but, wait, wait, let me explain
A buddy is a equal beneficial arrangement
A buddy is a buddy that don't be complaining
Wit' his or her buddy and da buddy they came wit'(Sometimes) and maybe I could call you up (sometimes)
And maybe I can take you out (sometimes)
So let's exchange digits and later arrange visits
Even though it's all night (yeah)
This a different type of commitment (yeah)
I'm talking 'bout a true friendship (yeah)
Someone I can depend on
To be down no matter what
Let me know if you wit' it 'cause, girlIt would be fly if you were my B-U-D-D-Y

Don't be shy, give it a try
I could be yours, and you could be mine
I can't lie, it would be fly if you were my B-U-D-D-Y
Don't be shy, give it a try
I could be yours if you could be mineOh, oh, oh, baby
What I'm really tryin' to say is (that)
The definition of a real buddy is (that)
She's that one that you can have fun
And ride shotgun through the city with me
Together there's no limit to what we can do
And once we in it, girl, it's just about me and you
So, baby, what you say?
Don't pass this by
Cause if you decideIt would be fly if you were my B-U-D-D-Y
Don't be shy, give it a try
I could be yours, and you could be mine
I can't lie, it would be fly if you were my B-U-D-D-Y
Don't be shy, give it a try
I could be yours if you could be mineIt would be fly if you were my B-U-D-D-Y
Don't be shy, give it a try
I could be yours, and you could be mine
I can't lie, it would be fly if you were my B-U-D-D-Y
Don't be shy, give it a try
I could be yours if you could be mine
