Got My Mojo Working

Rory Gallagher

I got my mojo working
It just don't work on you
I got my mojo working
But it just don't work on youLook out, baby
Gonna circle the bluesGot your gypsy woman
Giving me advice
Got a gypsy woman
Giving me adviceGot a whole lot of tricks
Keep you here all nightYeah
Can you hear me?
Can you hear me?Got a gypsy woman
Giving me advice
I got a gypsy woman
Giving me adviceGot a whole lot of tricks
Keeping me here all nightI got my mojo working
I got my mojo working
I got my mojo working
Got my mojo working
Got my mojo working
Just don't work on youI got my mojo working
I got my mojo working
I got my mojo working
Got my mojo working
Got my mojo working
Now let me hear youGot my mojo working
Got my mojo working
Got my mojo working
I got my mojo working
Got my mojo working, everybody
Just don't work on youI got my mojo working
I got my mojo working
I got my mojo working
I got my mojo working
Got my mojo working, everybody
Just don't, just don't, work on you
