

# You Must Believe

## Betty Jean Robinson

I have been to the place  
when I felt not His grace  
    nor His tender touch  
I'd reach out with my soul  
there was nothing to hold  
    and it hurt so much  
    not a friend could I find  
and I thought in my mind  
    God has left me too  
    but as I knelt to pray  
    a voice seemed to say  
        lo, I'm with you  
        and He said child  
        serve me by faith  
        and not how you feel  
        feelings aren't always real  
        they can deceive  
Oh but there's one thing that's true  
    I will never leave you  
    on this you can stand  
and when you can't feel my hand  
    you must believe  
    now He knows how I feel  
    He knows my life is real  
        down here on earth  
    and when my feelings are gone  
and I need something that's strong  
    I have His word  
    so through testing and trial  
    and through every mile  
        I just recall  
        what takes me through it all  
        is my faith in Him  
and He said child serve Me by faith  
    and not how you feel  
    feelings aren't always real  
        they can deceive  
child there's one thing that's true  
    I will always love you

on this you can stand  
and when you can't feel my hand  
child you must believe  
yes there's one thing that's true  
I will always love you  
on this you can stand  
and when you can't feel my hand  
you must believe
