

# I Found That Girl

## Jackson 5

Mama, oh mama, I found that girl  
Mama, oh mama, I found that girl  
Mama, life for me now is a new sensation  
Just like you, you said it would be with the right situation  
Now love has a meaning and I have a goal  
This feeling inside me now, make destiny a hundred years old  
Now I understand what it is to be a man  
The way you explained to me that day  
You said only the right girl can make me feel this way, you will  
Mama, I think I found that girl, yeah  
Mama, I think I found that girl  
Mama, she's that beautiful dream that I dream each night  
She's like a bird, on those wings of a flight  
She's those words left when there's no more to say  
She's more sunshine, happy end at a perfect day  
All this lets me find, a reason to be alive  
The day when you sat me upon your knees  
You said only the right girl could be all these things  
Mama, I think I found that girl, yeah  
Mama, I think I found that girl  
You said, "Son, go on and search around  
There's a good girl who's out there to be found"  
And mama, I think I found that girl, yeah  
Mama, I think I found that girl
