

Picture Perfect

Skylar Grey

Picture-perfect love
Suddenly upside-down
Picture-perfect love
Suddenly upside-down
Wipe the tears from your face and get high
Having a battle under the moonlight
Fading away
Having a battle under the moonlight
Fading away
You wanna come
Why can't you kill me yourself?
Just having a battle under the moonlight
Fading away
Picture-perfect love
Suddenly upside-down
Having a battle under the moonlight
Fading away
Having a battle under the moonlight
Fading away
You wanna come
Why can't you kill me yourself?
Just having a battle under the moonlight
Fading away
The dream turned worse than a nightmare
Hear that sound?
Our demon's cursing and screaming'
Even when the sun is out
Pictures on the wall turned over
Like a home turned into a funhouse
I'm stumbling down the corridor
Like someone spiked my Corona
Call the coroner
Our love is dead and it's
Lying in the corner
Arms and legs stretched out on the floor like a dolly
Salvador, it's surreal
Nothing feels real no more
All I can do is drink and smoke 'til I can't feel a fuckin' thing no more, your
Face is starting to change shapes
Into someone I never seen before
I been going insane
Since you been gone
Picture-perfect never looked so wrong
And in the end if I can't make you mine
I'ma drink myself into a new frame of mind
Having a battle under the moonlight
Fading away

Having a battle under the moonlight
Fading away
You wanna come
Why can't you kill me yourself? Just having a battle under the moonlight
Fading away
Wipe the tears from your face and get high
