

Peace of Mind (Unreleased)

The Killers

There's no one on the radar
No creature in the grove
No reason to be hateful
Life is a treasure trove And peace of mind is easy to find when the time is right
Come away, come away, come away, come here
Come, I'm callin', come We'll take a ship to Cairo,
We'll find the Gods, I'm told
I heard the sun is blinding,
I hear the streets are gold
We'll build a bridge to Eden
And then we'll burn it down
We'll never leave, we'll never die
We'll never turn around Well peace of mind is easy to find when the time is right
So come away, come away, come away, come here
Come, I'm callin', come Peace of mind
Peace of mind When the time is right (When the time is right)
When the time is right (When the time is right)
Come away, come away, come away, come here
Come, I'm callin', come
Come away, come away, come away, come here
Come, I'm callin', come And peace of mind is easy to find when the time is right
So come away, come away, come away, come here
Come, I'm callin', come It's rattling my bones now,
It's rushing though my veins
Everything we know is purpose
There's no need to stay in chains
You've got to learn to let go
Just let go and I'll let it be
And every fighter goes down
Just slow down and turn the cheek Because peace of mind is easy to find when the time is right
So come away, come away, come away, come here
Come, I'm callin', come Peace of mind is easy to find when the time is right
Come away, come away, come away, come here
Come, I'm callin', come
