Drunk and on a Star

Kevin Morby

h I'm drunk and on a star
Hangs above just where I was
Holding court while watching over
Keeping fort, a midnight soldierAnd though I'm drunk and on a star
Hangs above just where I was
Going out, mouth full of laughter
Eyes like beams, head full of dreamsHave you heard my guitar singing
As it rises from the earth
And the company it's bringing
Is beautiful and nothing worse
And I'm pale like a moon
Oh I'm empty like a room
I've gone dizzy like a ship
When that water comes into itHave you heard the schoolyard singing
I swear they're calling out your name
And beauty is something that's fleeting
It comes to touch, never to claim
And have you heard my guitar singing
As it rises from the earth
And the company it's bringing
Is beautiful and nothing worse
