

# Garden

Sean Hayes

When the morning breaks  
We will be out walking

We will watch the sun  
Rise above the wall

We will ask ourselves  
What road to take

We will catch our hearts  
You and I  
decide

(oh oh oh, oh oh.)

Where to take our journey  
(oh oh oh, oh oh)

How high to fly

(oh oh oh, oh oh.)

Love to love our turning

(ohhhhh, oh oh.)  
You and I(you and i)

Take the road we take  
Then we improvise

When the road it breaks  
There will be surprises

Live to grow with fate  
Wake to see your Time

Catch your heart with mine  
You and I decide

(oh oh oh, oh oh.)

Where to take our journey

(oh oh oh, oh oh.)

how high to fly

(oh oh oh, oh oh.)

love to love our turning

(ohhhhhhh, oh oh)

You and I, you and I

You and I, you and I

You and I, You and I

Garden

grows around

us

You and I, You and I

Garden

grows around

us

You and I, you and I
