

# Yellow Man

[Randy Newman](#)

Very far away in a foreign land  
Live the yellow woman and the yellow man  
He's been around for many a year  
They say they were there before we were hereEatin' rice all day  
While the children play  
You see he believes in the family  
Just like you and meOh, yellow man, oh, yellow man  
We understand, you know we understand  
He keeps his money tight in his handWith his yellow woman he's a yellow man  
Got to have a yellow woman  
When you're a yellow man
