Battle

Liz Green

my mind is wasted and my heart is worried
still I keep I keep moving onwhen the day breaks like a battle
and the sweetest thing I've heard
is in the halting of the shadow
it's in the echo of the wordsand my mind breaks such a detail
that i'm not underground
will you watch over me when I'm suffering
and bury me where I'm found
bury me where I'm found
will you bury me where I'm foundmy mind is wasted and my heart my heart is worried
still I keep I keep moving on
when the day fades like a battle
and there is moonlit overhead
it's so hard to be an angel
it's so hard to love him well
and the sleepness you have found him
is not love it never was
it could be yours but have a priest in (?)
will you dare pay what it's worth
and the bullet it's all rerun and fell at all like mine
it will never be yours the fall in
it was not ever mine
it was not ever mine
oh it was not ever mine
