

Bulimic.

The Used

From the way that you acted
To the way that I felt it
It wasn't worth my time
Now it's sad, 'cause all I missed
Wasn't that good to begin with Now I've started you begging
Saying things that you don't mean
It isn't worth my time
Nine's a dime, million times
And I'm about to see all of them Goodbye to you, goodbye to you
You're taking up my time
Goodbye to you, goodbye to you
You're taking up my time Goodbye to you, goodbye to you
You're taking up my time
Goodbye to you, goodbye to you You call my name when I wake up
To see things go your way
I'm coughing up my time
Each drag's a drop of blood, a grain
A minute of my life It's all I've got just to stay down
Why the fuck I'm still down?
I'm hoarding all that's mine
Each time I let just one slip by
I'm wastin' what is mine Goodbye to you, goodbye to you
You're taking up my time
Goodbye to you, goodbye to you
You're taking up my time Goodbye to you, goodbye to you
You're taking up my time
Goodbye to you, goodbye to you My time
My time
My time I'm about to see a million things
I've thought I'd never seen before and I
I'm about to do all of the things I dreamed of
And I don't even miss you at all I'm about to see a million things
I've thought I'd never seen before and I
I'm about to do all of the things I dreamed of
And I don't even miss you at all Goodbye to you, goodbye to you
You're taking up my time
Goodbye to you, goodbye to you
You're taking up my time Goodbye to you, goodbye to you
You're taking up my time

Goodbye to you, goodbye to you
You're taking up my time Goodbye to you, goodbye to you
You're taking up my time
Goodbye to you, goodbye to you
You're taking up my time Goodbye to you, goodbye to you
You're taking up my time
Goodbye to you, goodbye to you
