

# Dancing Queen

## Pop Star Kids

You can dance, you can jive  
Having the time of your life  
See that girl, watch that scene  
Dig in the dancing queen  
Friday night and the lights are low  
Looking out for the place to go  
Where they play the right music  
Getting in the swing  
You come into look for a king  
Anybody could be that guy  
Night is young and the music's high  
With a bit of rock music, everything is fine  
You're in the mood for a dance  
And when you get the chance  
You are the dancing queen  
Young and sweet, only seventeen  
Dancing queen  
Feel the beat from the tambourine  
You can dance, you can jive  
Having the time of your life

See that girl, watch that scene  
Dig in the dancing queen  
You're a teaser, you turn 'em on  
Leave them burning and then you're gone  
Looking out for another, anyone will do  
You're in the mood for a dance  
And when you get the chance  
You are the dancing queen  
Young and sweet, only seventeen  
Dancing queen  
Feel the beat from the tambourine  
You can dance, you can jive  
Having the time of your life  
See that girl, watch that scene  
Dig in the dancing queen  
Dig in the dancing queen  
Dig in the dancing queen  
Dig in the dancing queen
