

If You Need a Touch

The Evereadys

Ooh....oooh

When your mountains sometimes they crumble
and you fall down into the vally
He will pick you up and give you the stregnth
to climb another mountain.

So put your faith and your trust in him,
Gods' gonna be, Gods' gonna be there to the very end.
So theres no no need, no need for you to worry
because God is standing by_ _ _

So if you need a touch from Jesus, this very hour
All you got to do is knock on the door
and step right on in and cry out loud, For he's upstairs
on his throne and he'll give you, he'll give you grace grace and power.
Tell the servant, tell the servant that you need the master and I'm_ _ sure
I'm so very sure that he'll be right there.

Listen: Now when your burdens, you know how sometimes they seem
to get so heavy and it seems to you like you cannot go on_ _ _n
why don't you think about all the things that God, all the things
all the things that God has done for you. Why don't you count your blessings
and just pick up the phone (pickup the phone) it's not busy and dial his number
(dial his number) my God is waiting, he's waiting to hear_ to hear from your call.

Just say Jesus I need you, I need you, I need you (Lord I need you right now)
I need you Oh how I need you right now. So_o if you need a (touch from Jesus
this very hour) one touch one touch from Jesus from Jesus right now this right now
this very hour. Listen: All you got to do is knock on the door ha knock on the door
and step right on in and begin and begin to cry out loud. Lord he__he's upstairs on
his throne and he'll give you Lord he'll give you, I know he'll give you grace and power
(grace__eace) tell the servant that you need the master and I'm sure, so very sure
that heee's gonna be right there (right there) he's goona be right there.
