

# Circle of Friends

## Point of Grace

We were made to love and be loved  
But the price this world demands  
Will cost you far too much  
I spent so many years just trying to fit in  
Now I've found a place in this circle of friends  
In a circle of friends we have one Father  
In a circle of friends we share this prayer  
That every orphaned soul will know and all will enter in  
To the shelter of this circle of friends  
If you weep, I will weep with you  
And if you sing for joy the rest of us will lift our voices too  
And no matter what you feel inside  
There's no need to pretend  
That's the way it is in this circle of friends  
In a circle of friends, we have one Father  
In a circle of friends we share this prayer  
That we'll gather together no matter how the highway bends  
I will not lose this circle of friends  
Among the nations, tribes and tongues  
We have sisters and brothers  
And when we meet in heaven we will recognize each other  
With joy so deep and love so sweet  
Oh, we'll celebrate these friends and a life that never ends  
In a circle of friends we have one Father  
In a circle of friends we share this prayer  
That it will not be long before, all will enter in  
To the shelter of this circle of friends  
That it will not be long before, all will enter in  
To the shelter of this circle of friends  
Circle of friends, circle of friends  
Circle of friends, of friends  
Circle of friends, circle of friends  
Circle of friends, circle of friends  
Circle of friends to the shelter  
Circle of friends with a love so sweet in this circle  
Circle of friends, circle of friends
