

Some Might Say

Fortunate Youth

Some might say that sunshine follows thunder

Go and tell it to the man who cannot shine

Some might say that we should never ponder

On our thoughts today, 'cos they will sway over time Some might say, we will find a brighter day

Some might say, we will find a brighter day 'Cos I've been standin' at the station

 In need of education in the rain

You made no preparation for my reputation once again

 The sink is full of fishes

 She's got dirty dishes on the brain

It was overflowing gently but it's all elementary my friend Some might say they don't believe in Heaven

 Go and tell it to the man who lives in hell

 Some might say, you get what you've been given

If you don't get yours, I won't get mine as well Some might say, we will find a brighter day

Some might say, we will find a brighter day 'Cos I've been standin' at the station

 In need of education in the rain

You made no preparation for my reputation once again

 The sink is full of fishes

 She's got dirty dishes on the brain

 And my dog's been itchin'

Itchin' in the kitchen once again Some might say

 Some might say

 You know, I some might say

 You know, I some might say

 You know, I some might say

...
