

Dreamin'

Weezer

I'm dreamin'
In the mornin'
I'm dreamin' all
Through the night
And when I'm dreamin'
I know
That it's all right
Woo, hoo, hoa

I'm dreamin'
In the evening
I'm dreamin'
All through the day
And when I'm dreamin'
I know that it's okay
Woo, hoo, hoa

Daddy says
I've gotta pay
Some bills
So I can learn
To be responsible
Some day I'll have
A family of my own
And they
Will need for me
To be full grown

But I'm dreamin'
In the mornin'
I'm dreamin'
All through the night
And when I'm dreamin'
I know
That it's all right
Woo, hoo, hoa

I'm dreamin'
In the evening
I'm dreamin'

All through the day
And when I'm dreamin'
I know that it's okay
Woo, hoo, hoa

Teacher says
I gotta learn some facts
So I can make it in
The Widener Stacks
These are days
That will define my life
I shouldn't waste them
On these friends of mine

But I
Gotta be a big boy
('Cos I really want a chance)
Woah
Gotta pick up my toys
('Cos I really want a chance)

When I start to feel
The feeling comin' over me
(I really want a chance)
I soon forget
All about responsibility
(I really want a chance)
I walk around
In a wide-awake daydream
(I really want a chance)
Things are better out here
Than they might seem

There are bluebirds
In the meadows
And the bees
Are flying around
And the goslings
At the river
At a loss so far
From the ground

I am running
(I am running)
Through the meadow

(Through the meadow)

And the sun is

(And the sun is)

Shining on me

(Shining on me)

I am singing

(I am singing)

My voice is ringing

(My voice is ringing)

I can sing so loud

(I can sing so loud)

And the angels

(And the angels)

In the heavens

(In the heavens)

They are wondering

(They are wondering)

"Why am I so glad?"

(Why am I so glad?)

"Why am I so glad?"

(Why am I so glad?)

"Why am I so"

(Why am I so)

"Why am I so"

(Why am I so)

I am running

(I am running)

Through the meadow

(Through the meadow)

And the sun is

(And the sun is)

Shining on me

(Shining on me)

I am singing

(I am singing)

My voice is ringing

(My voice is ringing)

I can sing so loud

(I can sing so loud)

And I'm dreamin'

In the mornin'

I'm dreamin'

All through the night

And when I'm dreamin'
I know
That it's all right
Woo, hoo, hoa

I'm dreamin'
In the evening
I'm dreamin'
All through the day
And when I'm dreamin'
I know
That it's okay
Woo, hoo, hoa

(Woo, hoo)
Hoa
(Woo, hoo)
Hoa
(Woo, hoo)
Hoa
(Woo, hoo)
Hoa
(Woo, hoo)
Woah

I don't want to get
With your program
I don't want to get
With your program
I don't want to get
With your program
Take back the love
