

Get It While It's Hot

Blacklace

I got something cookin' and I'm boilin' way down deep
While I'm hot and bothered why don't you give me what I need
Your kind of lovin' really hits the spot
The things you're doin', baby, make me want what you got
So get it, get it, get it while it's hot, get it while it's hot, yeah
Yeah so get it, get it, get it while it's hot, get it while it's hot
Well, standin' here beside you, I can really feel the heat
I feel your body tremblin' from your head down to your feet
I know my mind is in it but my body's almost shot
If you want my lovin', babe, better get it while it's hot
Yeah get it, get it, get it while it's hot, get it while it's hot, get on oh oh
Get it, get it, get it while it's hot
Get it, get it, get it while it's hot
Get it, get it, get it while it's hot
Get it, get it, get it while it's hot
Get it, get it while it's hot
Get it while it's hot
Get it, get it while it's hot
Get it while it's hot
Get it, get it while it's hot
Get it while it's hot
Get it, get it while it's hot
Get it while it's hot
