## Mastodon

Life's changed  
Yet remain the same  
Basking in an afterglow  
I did not know  
I am here in shadows island  
Lying, hopeless wondering  
All questions exhaust me  
Life's changed  
Yet remain the same  
Basking in an afterglow  
I did not know  
I am here in shadows island

Lying, hopeless wondering  
All questions exhaust me  
Running, screaming, chanting  
For all this land, I've seen its worth  
Helping all for times sake  
It brings me work, pinned to this world  
Running, screaming, chanting  
For all this land, I've seen its worth  
Helping all for times sake  
It brings me work, pinned to this world
