

Leave Me Lonely (feat. Macy Gray)

Ariana Grande

[Ariana]

Dangerous man...

You're no good for me

Yeah, they turn me away

Like I'm begging for a dime

(Damn girl...)

Love how you're holding me

I get chill inside

And nothing hottens me, baby...Is it love, when you so easily say goodbye?

Is it love, when we've given up before we try?

Is it love, when there's no peace of mind

Is it love, when you cry, cry, cry?When you walk out that door

Don't you come back no more

My heart has had enough

Of give or take

And as much as I want you to stay

You're a dangerous man

Baby, you're no good for me darling

'Cause if you're gonna love me

And leave hanging

Then I'd rather you

Leave me lonelyLeave me lonely, ha-ah-ah

You're a Dangerous ManDangerous Man

You're no good for me, (darling)

Yeah, they turn me away

Like I'm begging for a dime

Damn, girl

Love how you're holding me

I get chill inside

And nothing frightens me, babyWhen you walk out that door

Don't you come back no more

My heart has had enough

Of give or take

And as much as I want you to stay

You're a dangerous man

Baby, you're no good for me, darling

So if you're gonna love me

And leave me hanging

Then I'd rather you leave

Leave me lonely,Leave me lonely (ha-ah-ah)(Dangerous man, baby...)
