

Iron (Hydra Live)

Within Temptation

Left in the darkness
Here on your own
Woke up a memory
Feeling the pain
You cannot deny it
There's nothing to say
It's all that you need to find the way Oh Damn, the war is coming!
Oh Damn, you feel you want it!
Oh Damn, just bring it on today! You can't live without the fire
It's the heat that makes you strong
'Cause you're born to live and fight it all the way
You can hide what lies inside you
It's the only thing you know
You're embracing that, never walk away
Don't walk away Don't walk away
Don't walk away
Don't walk away Raised in this madness, you're on your own
It made you fearless, nothing to lose
Dreams are a drug here, they get in your way
That's what you need to fight day by day Oh Damn, the war is coming!
Oh Damn, you feel you want it!
Oh Damn, just bring it on today! You can't live without the fire
It's the heat that makes you strong
'Cause you're born to live and fight it all the way
You can hide what lies inside you
It's the only thing you know
You're embracing that, never walk away
Don't walk away You need not to fear us
unless you're a dark heart
a vile one, who preys on the innocent
I promise, you can't hide forever in the empty darkness
for we'll hunt you down
like the animals you are
and pull you in the very bowels of hell Oh Damn, the war is coming!
Oh Damn, you feel you want it!
Oh Damn, just bring it on today! You can't live without the fire
It's the heat that makes you strong
'Cause you're born to live and fight it all the way
You can hide what lies inside you

It's the only thing you know
You're embracing that, never walk away
Don't walk away Don't walk away
Don't walk away
Don't walk away
