Drivin' Wheel

Foghat

Feelin' good, can't be real

Must be dreamin' 'bout my drivin' wheel

Rollin' on, drivin' on
me and rock me all night longWe've got a roll goin',

Come to me and rock me all night longWe've got a roll goin', too good to stop Flyin' high, we've got too far to drop

Everybody needs somebody to love

I've got you and that's love enoughYou're my drivin' wheel

You're my drivin' wheel

You're my drivin' wheelPowerful love, steady roll

Move my body and it rock my soul

Let me ride, let me slide

Got that lovin' feelin', way down insideYou got me walkin', goin' round and around

You got me talkin' but I can't hear a sound

Love comes easy when the goin' is tough

May be crazy, I may be in loveYou're my drivin' wheel, yeah

You're my drivin' wheel, yeah

You're my drivin' wheel, yeah Every night feelin' high, flyin' right

Can't believe all the love that I feel

Easy rider, you're a love exciter

You're my love, you're my drivin' wheel You're my drivin' wheel

You're my drivin' wheel, yeah

You're my drivin' wheel

You're my drivin' wheelKeep on drivin' me baby

'Cause you're my drivin' wheel

I love the way I feel

'Cause you're my, 'cause you're my drivin' wheelLet me ride, let me slide, whoo

C'mon baby, give it to me baby

Yeah, we gotta ride, we gotta ride

We gotta ride, we gotta ride

We gotta ride, ride, ride, yeah
