

Rock of All Ages (Remastered)

Badfinger

Well, you're taking all my money
And I guess you think it's funny but I don't, my my
You always want it right now
And you know it brings me down but I don't, why? Why?
Guess you think it's funny
That you're taking all my money but I don't You know you should believe me, baby
Every night you leave me on my own, my my
We got to get together, baby
Try to make it better but you won't, why? Why?
Every night you're leaving
But you know you should believe me but I don't My my, my my
You know you take me down the line
My my, my my
Baby, don't you know you're mine? You're taking all my money
And I guess you think it's funny but I don't, my my
You always want it right now
And you know it brings me down but I don't, why? Why?
Guess you think it's funny
That you're taking all my money but I don't My my, my my
You know you take me down the line
My my, my my
Baby, don't you know you're mine? You're taking all my money
And I guess you think it's funny but I don't, my my
You always want it right now
And you know it brings me down but I don't, why? Why?
Guess you think it's funny
That you're taking all my money but I don't You know you should believe me, baby
Every night you leave me on my own, my my
We got to get together, baby
Try to make it better but you won't, why? Why?
Every night you're leaving
But you know you should believe me but I don't You're taking all my money
And I guess you think it's funny but I don't, my my
