

# Higher (Live at Matching Head Studios)

[Cajsa Siik](#)

What if a dream could tell me how  
What if a minute was forever  
Now I am climbing out of my mind  
Now I can sense you even better  
Crystals in an open sky  
Lose you left to figure out  
Higher  
I can feel it coming down  
It all makes sense when you're around  
Higher  
I was floating on my back  
Can you see what I see  
Nothing is holding us back  
Can you feel what I feel  
Once upon a time you see  
Someone told you how to be  
Higher  
No one told us to forget  
We may love without regret  
Higher  
That's my whole truthCrystals in an open sky  
Lose you left to figure out  
Higher  
I can feel it coming down  
It all makes sense when you're around  
Higher  
Once upon a time you see  
Someone told you how to be  
Higher  
No one told us to forget  
We may love without regret  
HigherWhat if a dream could tell me how  
What if a minute was forever  
Now I am climbing out of my mind  
Now I can sense you even better
