

That's How Love Moves

[Faith Hill](#)

It's such a mystery
How you found something in me
That I never knew was there
But you uncovered it so easily You turn me like the season
And I began to change
You wrapped your arms around me
Now I'll never be the same That's how love works
That's how love moves
Like a river running through you
Sometimes it lifts you high as heaven
It consumes you that's a given
That's how love moves I've seen walls that could never be broken
Come tumbling down
I've heard the voice of love calling
Without making a sound See I was touched by an angel
The day you took my hand
You know that you're the miracle
That makes me everything I am That's how love works
That's how love moves
Like a river running through you
Sometimes it lifts you
As high as heaven
It consumes you that's a given
That's how love moves Sometimes it's a whisper
Sometimes it's a storm
Sometimes it reaches forever
With its everlasting arm That's how love moves
Like a river running through you
Sometimes it lifts you
As high as heaven
It consumes you That's how love works
That's how love moves
Like a river running through you
Sometimes it lifts you
As high as heaven
It consumes you oh, that's a given That's how love works
That's how love moves
Like a river running through you
Sometimes it lifts you

As high as heaven
It consumes you oh, that's a given That's how love works
That's how love moves
Like a river running through you
Sometimes it lifts you
As high as heaven
It consumes you oh, that's a given That's how love works
That's how love moves
Like a river running through you
Sometimes it lifts you
As high as heaven
It consumes you oh, that's a given
