Disappoint

Unwound

do introductions all sound the same?
do interruptions always create the play?
ever want "the point of no return"
or do you like the way it burns?
i never want to dive inside this heart of mine having no idea what ever happened to...
i'll disappear i won't know it's true.
disapointed in me, disappointed in you.
disillusion wouldn't be the end,
cause a different time wouldn't be so cruel.
