Happy

The Daylights

I tried
Tried to make it on my own
Did my best to get along, I triedI'm here
'Cause you're everything to me
And I'll never be complete without you'Cause only you can make me
Only you can make me
Happy, me happyI've lied if I've told you how I felt
There's no words that could reveal
My love burns and you know thatI'm made to be with you
I'm a mad man, I'm a fool
To be so, to be soOnly you can make me
Only you can make me
Happy, me happyI don't ever recognize myself
Don't be with anybody else
It's hard to feel this goodI couldn't have it any other way
Wouldn't wanna live another day
Without, without, without'Cause only you can make me
Happy
