

# Happy

## The Daylights

I tried  
Tried to make it on my own  
Did my best to get along, I tried I'm here  
'Cause you're everything to me  
And I'll never be complete without you 'Cause only you can make me  
Only you can make me  
Happy, me happy I've lied if I've told you how I felt  
There's no words that could reveal  
My love burns and you know that I'm made to be with you  
I'm a mad man, I'm a fool  
To be so, to be so Only you can make me  
Only you can make me  
Happy, me happy I don't ever recognize myself  
Don't be with anybody else  
It's hard to feel this good I couldn't have it any other way  
Wouldn't wanna live another day  
Without, without, without 'Cause only you can make me  
Happy
