About Farewell

Alela Diane

It is plent to see that i have one full at the door
And i know that your dear heart is telling you
To run deep down somewhere
Deep down somewhereI heard somebody say
That the brightest lights
Cast the biggest shadows
So honey i got to let you goSeven years to you dear heart is all that i can give
And i know that without me
You'll find just what you need,
Deep down somewhere,
Deep down somewhere
I heard somebody say
That the brightest lights
Cast the biggest shadows
So honey i got to let you go
Living is the hardest part
That's what we've always said
Once upon the other side
Is best not to look back
That's what we say about farewell
