

Take It All

Hillsong United

Searching the world, the lost will be found
In freedom we live, as one we cry out
You carried the cross, You died and rose again
My God, Ill only ever give my all You sent Your Son from Heaven to Earth
You delivered us all, its eternally heard
I searched for truth and all I found was You
My God, Ill only ever give my all Jesus we're living for Your Name
Well never be ashamed of You
Our praise and all we are today
Take, take, take it all, take, take, take it all You sent Your Son from Heaven to Earth
You delivered us all, its eternally heard
I searched for truth and all I found was You
My God, Ill only ever give my all Jesus we're living for Your Name
Well never be ashamed of You
Our praise and all we are today
Take, take, take it all, take, take, take it all Jesus we're living for Your Name
Well never be ashamed of You
Our praise and all we are today
Take, take, take it all, take, take, take it all Running to the one who heals the blind
Following the shining light
In Your hands, the power to save the world
My life Running to the one who heals the blind
Following the shining light
In Your hands, the power to save the world
My life Jesus we're living for Your Name
Well never be ashamed of You
Our praise and all we are today
Take, take, take it all, take, take, take it all Jesus we're living for Your Name
Well never be ashamed of You
Our praise and all we are today
Take, take, take it all, take, take, take it all Jesus we're living for Your Name
Well never be ashamed of You
Our praise and all we are today
Take, take, take it all, take, take, take it all Jesus we're living for Your Name
And well never be ashamed of You
Our praise and all we are today
Take, take, take it all, take, take, take it all
Take, take, take it all
