My Last Goodbye

Trading Yesterday

Advisory - the following lyrics contain explicit language:

I've gotta walk away while there's still hope
Learn to erase the love I know
And let you go'Cause what I thought was love was only lies
Taking what you want, left me behind
As my heart diesSo here we are again
Knowing this will never end
So I must let goThis is my last goodbye
Leaving all the memories of you behind
I will not wait here
And waste my whole lifeWaste my whole lifeI can see you now with opened eyes
When you come around and realize
That I don't need you to surviveI will not begin
The fight that we could never end
So I am letting goThis is my last goodbye
Leaving all the memories of you behind
I will not wait here
And waste my whole lifeWaste my whole lifeMy passion, my poison
The life and death of me
I can't take you taking everything
From a love never meant to beThis is my last goodbye
Leaving all the memories of you behind
I will not wait here
And waste my whole lifeThis is my last goodbye
This will be my final tear for love to die
I will not wait here
And waste my whole lifeWaste my whole life
With my last goodbye
With my last goodbye
