

# Forever Yours (feat. Eli J)

## Samsong

Forever yours by Samsong ft Eli J lyrics

Why should I ever worry

Why should I ever fear

Why should I be discouraged

All you said you have done

Chorus

Forever yours 2X

I will stay forever yours

Forever yours 2X

Lord Iâ€™ll stay forever yours

Never ever question God

If youâ€™re lost you can find your way back heâ€™s calling you

Havenâ€™t you heard, donâ€™t you know those who follow God have miracles everyday

Though you love God lift your hands and say

Iâ€™m....

Chorus

Though when trouble comes Iâ€™ll be standing strong cuz with you there is no fear

When tribulations come Iâ€™ll stay forever yours forever yours

You will answer me when I call on you

You are greater than the greatest

Lord Iâ€™ll stay forever yours

Chorus 2X

Always and forever (4x) yours

Iâ€™ll stay

Forever yours 4X

Lord Iâ€™ll stay forever yours
