

It's The Way You Make Me Feel

Steps

It's the things that you do, so physical
It's the things that you say, so flammable
You know I can't resist, boy it's such a shame
That you belong to another
I don't want to hurt nobody, but my heart just can't hold back
It's the way you make me feel (the way that you
make me feel)
Spinning my world around
Tell me, how can I walk away
I don't care what they say, I'm loving you anyway
It's the way you make me feel
I'm gonna make you mine, it's not impossible
Got to let you know I'm irresistible
Baby can't you see you're the one for me
But you belong to another
I don't want to hurt nobody, but my heart just can't hold back
It's the way you make me feel (the way that you
make me feel)
Spinning my world around
Tell me, how can I walk away
I don't care what they say, I'm loving you anyway
It's the way you make me feel
Make me feel, make me feel
When I look into your eyes, every time you smile at me
Oh I go weak inside, baby I just can't hide my love
It's the way you make me feel (the way that you make me
feel)
Spinning my world around
Tell me, how can I walk away
I don't care what they say, I'm loving you anyway
It's the way you make me feel
Make me feel, make me feel
Tell me, how can I walk away
I don't care what they say, I'm loving you anyway
It's the way you make me feel
