

Cold Wind Blowing

Clifford T. Ward

There's a cold wind blowing, but it's missing me
'Cause I'm so warm in your company
So don't you worry girl, don't you cry
You really can smile so let me help you try. You say there's nothing left
But I would disagree
Your life has come adrift
Anchor yourself to me. There's a cold wind blowing, but it's missing me
'Cause I'm so warm in your company
So don't you worry girl, don't you cry
You really can smile so let me help you try.
