

Living For The Weekend

Hard-Fi

Oh, I've been working a week, I'm tired
Yeah, I've been working a week and I'm
Just living for the weekend

Hey, hey
I got some money I just got paid
Got some money and I can't wait
At six o'clock, I'm out of here

Out there tonight
Is the night of my life, got my name on
Run down my street, adidas on my feet
I'm on fire

Working all the time, work is such a bind
Got some money to spend, living for the weekend
When it gets too much, I live for the rush
Got some money to spend, living for the weekend

Oh man
Yeah I've been working a week, I'm shot
Yeah I've been working a week for what?
Just living for the weekend
Ah shit
So my clothes are all counterfeit
So my name isn't on the list

'No, you can't come in, so go home boys!'

Slip round the back, look at that
There's a cracked toilet window
Drop to the floor, covers us through the door
I'm on fire

Working all the time, work is such a bind
Got some money to spend, living for the weekend
When it gets too much, I live for the rush
Got some money to spend, living for the weekend

Can you feel it?

Feel the pressure, rising
Pushing down on me, oh lord

Pressure, pressure, pressure, pressure, pressure
Feel the pressure
Pressure, pressure, pressure, pressure, pressure

Living for the weekend [x7]

Iâ€™m living for the weekend
Going out tonight, going out tonight
Baby, you and I are going out tonight
[Repeat x4]
