

Hooplas Involving Circus Tricks

Say Hi To Your Mom

It's crowded and we're bored
The chamber maid: she snores
The drummer's gone to tune up all her toms
I laid my head down and now my wallet's gone

Hooplas involving circus tricks
At addresses way out in the sticks
The pixies in tight green little skirts say it's so much better now that is hurts
The tides that pull you down in the river
She touched my knee and that made me quiver
Winks with her eye, 3.14 (pi)
Is there anyone who knows the whole thing?

It's loaded with references when the mime speaks about the biz
We asked him for a glass that might be clean
But he's too busy posing for fashion 'zines

Hooplas involving circus tricks
At addresses way out in the sticks
The pixies in tight green little skirts say it's so much better now that is hurts
The tides that pull you down in the river
She touched my knee and that made me quiver
Winks with her eye, 3.14 (pi)
Is there anyone who knows the whole thing?

Hooplas involving circus tricks
At addresses way out in the sticks
The pixies in tight green little skirts say it's so much better now that is hurts
The tides that pull you down in the river
She touched my knee and that made me quiver
Winks with her eye, 3.14 (pi)
Is there anyone, is there anyone?

Hooplas involving circus tricks
At addresses way out in the sticks
The pixies in tight green little skirts say it's so much better now that is hurts
The tides that pull you down in the river
She touched my knee and that made me quiver
Winks with her eye, 3.14 (pi)
Is there anyone who knows the whole thing?
