

I'm Him

Sammie

They just wanna smoke and drank with ya
They just wanna take you down and uh
They just always tryna pull up
They ain't never tryna take you out
They just wanna pop champagne with you
They just tryna flex for the gram
They ain't even tryna get to know ya
They ain't ever really gave a damnBabygirl I'm a different kinda nigga
Plus I think your prettier without it
Baby You don't even need a filter
Got a proposition for ya girl how bout it?
I should be your next man
I'm better than your ex man
I bet ya mama gon like me
And ya big bro too
I bet ya daddy gon like me
And ya homeboys tooImma do everything that ya man ain't do

Imma show you things you ain't ever seen
Turn ya nightmares into wet dreams
Whats yo ring size girl pick your wedding ring
Picture us ring side sitting on designer jeans
Shoes blood shot red on the bottom
In my drop top ridding with my bonnie
Its 7 o'clock we on my drop top
Soon as I get you home we goin non stopBabygirl I'm a different kinda nigga
Plus I think your prettier without it
