We live to win cause if we lose than we die verse 1: What's the word for the day homeboy  
It ain't nothin but this livin shit  
Tryin to get this money right quick

As a, black boy  
Started out a bundle of joy  
but quickly I grew playin with toys  
Than you started makin noise as a youth  
Tryin to figure out the truth

Behind the shit that the schools ain't tellin  
First come rebellin, then come drug sellin  
Juvenile court, 'cause you too young to be a felon  
Knew that everything around you was yours  
But you gotta maintain the game of wealth that the  
World has in store

A wise man told you before  
You got the power to bring things to life black boy  
You can test it

Everything you see is just a thought manifested  
But before you had a chance to know that  
You got arrested

And it all seems clear to you know, you can breathe  
It was different

When you couldn't see the forest from the trees  
If you follow your dreams you can accomplish anything  
If you always do your best then your destiny is king
