Who told you to be so cruel
Who told you what to do
Who taught you to act that way
Who taught you to disagreeWho taught you to act that way
Who taught you to do what you do
Who taught you to despise
Who told you that you were rightWho told you to be so cruel
Who told you what to do
Who taught you to act that way
Who taught you to disagreeWho told you to act that way
Who told you to destroy
Who told you to despise
Who told you that you were rightThanks to Andy (s0_l0ng_ast0ria@hotmail.com) for these lyrics
