Mystery

Indigo Girls

(Handed down and made by hand)Each time you pull down the driveway

Wasn't sure when I would see you again?

Yours was a twisted blind sided highway

No matter which road you took thenOh, you set up your place in my thoughts

Moved in and made my thinking crowded

Now we're out in the back with the barking dogs

My heart the red sun, your heart the moon cloudedI could go crazy on a night like tonight

Summer's beginning to give up her fight

And every thought's a possibility

And the voices are heard but nothing is seen

Why do you spend this time with me

Maybe an equal mystery? So what is love then? Is it dictated or chosen?

(Handed down and made by hand)

Does it sing like the hymns of a thousand years

Or is it just pop emotion?

(Handed down and made by hand)And if it ever was there and it left

Does it mean it was never true?

And to exist it must elude

(And to exist)

Is that why I think these things of youI could go crazy on a night like tonight

(A night like tonight)

Summer's beginning to give up her fight

(Yoh, yoh, yoh)

Every thought's a possibility

And the voices are heard but nothing is seen

Why do you spend this time with me

Maybe an equal mystery? But you like the taste of danger

It shines like sugar on your lips

You like to stand in the line of fire

(Stand in fire)

Just to show you can shoot straight from your hipThere must be a thousand things you would die for

I can hardly think of two

But not everything is better spoken aloud

Not when I'm talkin' to youOh, the pirate gets the ship and the girl tonight

Breaks a bottle to christen her

(Huh, huh, huh, huh, huh)

Basking in the exploits of her thief

She's a very good listenerMaybe that's all that we need

Is to meet in the middle of impossibility

We're standing at opposite poles
Equal partners in a mystery
(Handed down and made by hand)
We're standing at opposite poles
Equal partners in a mystery
