Thank You

Yolanda Adams

When I think about how You saved my soul
I'm compelled to praise You, like a woman out of control
So I lift up holy hands
I take advantage of this chance to say thank You
When I think about what You brought me through
I'm reminded to praise You for all that You had to do
So I lift up holy hands
I take advantage of this chance to say thank You
So from the bottom of my heart I say
Thank You, thank You, thank You
When I think about where You brought me from
I gotta praise You like the victories already won
And I lift my hands
I take advantage of this chance to say thank You
When I think about, oh Lord, yes, why You love me so
I'm compelled to praise You because
I really don't care who?s looking and who knows that I love You
And I lift up my holy hands
I take advantage of this chance to say thank You
Oh, everyday of my life I just wanna say
Thank You
(Thank You, Lord)
Thank You
(I gotta thank You)
Thank You
(Because of who You been to me)
Thank you

(You been a shelter in the storm)
Oh, and I thank You
You been a rock that I can stand on
Thank You, Lord
And I say thank you
You been a bridge over any kind of water
I gotta say, Lord, I thank You
With all my heart, with all my soul
Everything within me says thank You, Lord
Thank you, Lord, Lord, I thank You
Lord, I thank you, Lord, I thank you

For all You done to me
Thank You, Lord
There?s no words that I can say but You been good
I can't thank You enough, no, no, no, no, no
Thank You, Lord
(I just wanna thank You)
I wanna thank, I wanna thank You
I gotta thank You, just wanna thank You
I thank You, yes, I thank You
Yes, I thank You, yes, I thank You, yes
And I say, I wanna thank You
Said, Lord, I thank You
Yes, thank You
