

# Welcome To Purple Haze (skit)

Cam'ron

Hi, I'm Mizzle, former heroin addict  
Coke head, crack fiend  
Man if killa had it, I tried it  
If I itch he scratch, yo no homo man  
But I part of the diplomats now  
Yeah, you know the Byrd gang dip set bitch  
So I'd like to welcome you to purple haze the album  
Yeah my man killa's a mother fucker  
I mean, he brings out the best in you  
If you rap, you better spit that shit  
'N you better sell that shit  
If you steal, don't rob a store, rob the stash house  
"George its 200 bricks in there stupid"  
Ha that's what he told George man  
What up oh yeah  
If you sellin' nickels n dimes  
Then you're nickel n dimin'  
Get some weight on you like that fat bitch delaresse  
I, I still don't know what that means man but  
But I do know what this means  
You get high, get high all the way  
You sniff coke, fuck it, smoke crack  
Don't stop there, if you smoke crack, shoot dope  
If you shoot dope, sniff meth  
He had all that shit right there for sale man  
Funny mother fucker
