

# A Neverending Dream (radio Mix)

## Cascada

I'm waiting for the night drifting away  
On the waves of my dreams to another day  
I'm standing on a hill and beyond the clouds  
The winds blowing still and catching my doubts  
I'm hunting on the night the slave to my dream an illustrated seen decends in the sleep  
We're playing for the fights emotional games  
I'm turning off my eyes and hiding my shame

(Chorus)x 2

A Neverending dream a dream of you  
I believe I received a sign of you  
Tonight I want to hide my feelings too  
As you do and I want to be with you

(Speaking)

I'm waiting for the night drifting away on the waves of my dreams to another day  
I'm standing on a hill and beyond the clouds the wind's blowing still and catching my doubts

I'm watching all the flowers dying away  
inheated breath of life at the dawning day I'm waking up in spring and kissing your face the sweet imoving  
thing I feel your imbrace

A neverending dream.....

(Chorus) x 3
